

LAZIO

italian designed sinkware

CONSTRUCTED TO THE HIGHEST STANDARD.

The bowls and drainers are handmade, manufactured from **1.2mm** thick stainless steel, with a **3.5mm** thick flange. Each can be undermount or top mounted, and soft sound dampening is applied to all undersides of the bowls.

EXTENSIVE RANGE.

There is a configuration to suit all requirements, featuring single or double bowls, multiple size options, with or without drainers and a range of add on accessories to suit each format.

MODERN FINISH AND DESIGN.

All design elements are meticulously considered, from the tight **10mm** radius to the stunning look of the linen finish, the Lazio Stainless Steel range offers superior quality, with easy care and a ten year warranty.

ACCESSORIES AVAILABLE.

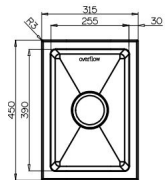

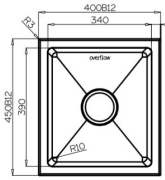

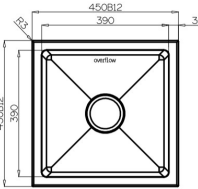

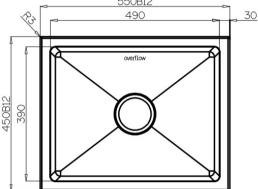

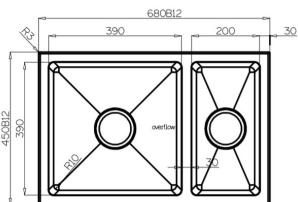

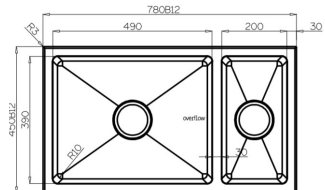

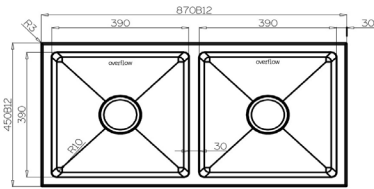

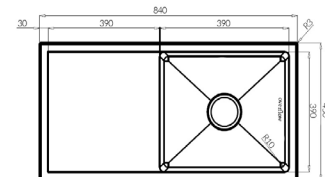

The Lazio stainless steel range is supported by a range of practical and stylish accessories to add value and function to your kitchen and lifestyle.

10 Ten year warranty

14 Fourteen litre/per min overflow rate
