

## Care Guide

---

Thank you for choosing AGT panels for your new kitchen. To keep your panels in great condition, please follow the recommended care instructions below.

- ✓ Clean with a microfibre cloth and hot soapy water.
- ✓ Clean up stains and spills as soon as possible.
- ✗ Do not use household cleaners such as creams, sprays and wipes.
- ✗ Do not use abrasive sponges or scouring pads.
- ✗ Avoid contact with harsh chemicals like alcohol, solvents or thinners.
