

LAZIO STAINLESS STEEL SINK RANGE

LAZIO
Stainless Steel Sinkware

Professional Series

Lazio stainless steel sinks are extremely hard wearing, offer cutting edge design, are easy care and highly durable.

CONSTRUCTED TO THE HIGHEST STANDARD.

Bowls and drainer manufactured from 1.2mm thick stainless steel, 3mm thick flange which can be under or top mounted. Soft sound dampening applied to all undersides of the bowls, undercoated to all areas.

EXTENSIVE RANGE.

Configuration to suit all your requirements, single and double bowls, multiple size options, with or without drainers.

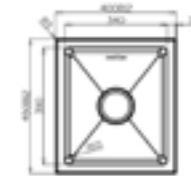

MODERN FINISH AND DESIGN.

All design elements meticulously considered, from the tight 10mm radius to the stunning look of the linen finish, the Lazio Professional Series offers superior quality with easy care and a lifetime warranty.

 Lifetime warranty
